WINTER CAMP 2026

PURE MINDS ACADEMY

LITTLE EXPLORERS **AGES 4-6**

AL HABTOOR POLO RESORT

WEEK	ROBOTICS MISSIONS 9:30AM - 10:30AM	CREATIVE CODING 10:45AM - 12:15PM	TEAM CHALLENGE 12:45PM - 2:00PM
Week 1 Dec 14 - Dec 18	**ROBOT ZOO** Children build their own robot animals, from a playful puppy to a swishing fish. They learn how parts fit together to create movement, while building focus and fine motor skills.	**ZOO KEEPERS** Using picture cards instead of screens, children code a friendly robot to find food, play music and explore the zoo. Screen-free coding that builds early logic, sequencing and pattern spotting.	**ANIMAL GAMES** High-energy team games with towers, relays and a giant class marble run, ending with a picture-clue treasure quest. Children learn to take turns, share ideas and solve problems together.
Week 2 Dec 21 - Dec 25	**LITTLE INVENTORS** Children become junior engineer, building a new moving machine every day, from a hammer robot to a race car. Discover how motors and gears make things work, and grow in confidence with every finished creation.	**STORY CODERS** Children bring their own characters to life on screen, making them walk, talk, shrink and spring into action. They learn the building blocks of coding while creating stories they can't wait to show you.	**BUILDER GAMES** High-energy team games with towers, relays and a giant class marble run, ending with a picture-clue treasure quest. Children learn to take turns, share ideas and solve problems together.
Week 3 Dec 28 - Dec 31	**SPACE MACHINES** Rockets, helicopters and dancing alien robots! Children build a working space machine each day & discover how motors create movement, growing patience and problem-solving as they go.	**MISSION TO THE MOON** Children guide a little robot across space maps to reach the Moon and hunt for treasure on Mars. They learn to plan step by step, spot mistakes and fix them, the foundations of logical thinking.	**SPACE GAMES** Planet hopping, rocket hopscotch and a space obstacle course keep little astronauts moving, ending with a quest to rescue a lost astronaut. Children build teamwork, counting and listening skills through play.

Camp timings: 9:30am to 2pm
Drop-off timings: 8:30am onwards
